RELAY RACES

Relay Declaration forms must be turned in prior to the start of the running events. If there is no relay declaration form on file prior to the event the team will not be allowed to compete in the regional meet. As set forth by **TAAF**, relay runners must register on either Team A or B for both the **4x100** and **4x400** race and must remain on that team throughout the regional and state meets. This includes alternate relay runners.

EXAMPLE

If an athlete runs the **4x100** on **Team A** at the regional level, they must also run the **4X100** on **Team A** at the Games of Texas as well. They may not run the **4x100** on Team B at either meet.

Lost Bib Numbers

A **\$5** fee will be charged to replace lost bib numbers.

Bib numbers will be issued at the time of check-in on the first day of the meet.

Please verify your bib numbers before walking away from the check-in table.

Please remind athletes not to discard bib numbers until the completion of the meet.
