Participants who are in the 14 & under, 16 & under and 18 & under shall not be allowed to compete in more than three running events, including the relays and in not over five events total. As per U.1.L Constitution and Contest Rule, no contestant shall be allowed to enter more than three (3) of the following events: 400m, 800m, 1600m or 3200m. This does not prevent from running on the relays, provided he/she is entered in no more than 3 running events. Note: Being listed as an alternate does not count as an event.

RELAY TEAMS:

A relay team can consist of 4-6 members and team members are required to wear shirts that are matching in color. To replace any member of the relay team, the person substituting must be listed as an alternate on the official registration. Only officially listed alternates will be allowed to substitute. The TAAF registration software allows you to place alternates when registering your team. It is recommended to list 6 names, as you will not be allowed to add alternates at the regional or state meet. For each relay team entered, a declaration form must be completed and emailed to ljimenez@boerne-tx.gov by July 1 at Noon. The athlete names listed on the declaration form must match those entered in the registration system.

PERFORMANCE LIST:

A performance list of all registered athletes will be posted to www.TAAF.com. Coaches and parents, please review the list at that time. Changes MUST be submitted within 24 hours. Changes can be made by submitting information to ljimenez@boerne-tx.gov. Changes to an incorrect age group or gender will be made free of charge. Changes to events will cost \$5 per event and payments must be made PRIOR to the changes being made. Changes will not be accepted after the 24 hour time-frame and changes will NOT be made the day of the event.

Coaches and parents, please help inform us of any participant that you know will not be participating at the regional meet. This will help us combine heats and speed the meet up. Refunds will not be given.

HEAT SHEETS:

Heat sheets will be posted after all changes are made at www.TAAF.com. An email will go out to everyone who is registered once it has posted. Heats will be randomly assigned--seed times will not be used to create heats.

SCHEDULE OF EVENTS:

Gates will open at 0530. Coaches meeting at 0630 on field. Running events will begin at 0700 and all field events will begin at 0800.

Meet Schedule for Order of Events.

RULES:

1. **NO TENTS in the stands.** Team tents will only be allowed to set up camp anywhere inside the gates around track, or in grass areas around the throwing area.

3. NO COACHES WILL BE ALLOWED ON THE TRACK UNLESS FOR EMERGENCY PURPOSES AND/OR UNLESS APPROVED BY MEET OFFICIALS. NO PARENTS ON FIELD.

**** EXCEPTION – During 4x100 Relay Events ONLY a maximum of two (2) coaches per team may be on the Track to assist runners in setting their marks. Coaches on the track must remain off the track during the event and may not run along the track during events. Coaches are not allowed to assist or help runners while in the vicinity of the track. Forfeiture of relay teams and/or individuals may result.**

4. This year's meet will be a ROLLING meet – which means that events will start when the previous event is complete. Running event participants should check in at the heating tent when calls are made. Runners missing their posted heats will be disqualified, regardless if the event is still in progress. DO NOT BE LATE. Field event participants must check in with the Field Event Clerk at the listed starting times. Field Event participants MUST compete and complete their event during the time specified.

RUNNING- EVENTS:

1. All running events will finish at approximately the same finish line. Due to the nature of the cameras and the timing system. Moving the system as little as possible will be the criteria. All non-curve dashes: (50 m dash, 100 m dash, 80 m hurdles, 100 m hurdles, 110 m hurdles) will be run from left to right, regardless of the wind direction.
2. The number of berths issued to the state meet is determined by the number of athletes registered on June 23, 2022. The top 3 finishers will receive medals in each event.
3. All participants for all running events must check in at the announced times at the Heating Tents. Meet officials will escort all participants to the starting line. Heating for field events could be held at different locations, as needed; announcements will be made.
4. All participants in all running events will be required to wear a leg number corresponding to their lane assignment. These numbers will be issued to each runner at the heating tent. Runners may not participate without this number.

5. ALL RUNNING EVENTS, SPRINTS, HURDLES, AND DISTANCE EVENT HEATS WILL BE RUN AGAINST TIME. WINNING A HEAT DOES NOT GUARANTEE QUALIFYING FOR THE STATE MEET.

PROTEST:

Per official TAAF and UIL rules, Judgment Calls and Decisions by TAAF Region 3 Finish Line Judges / Timers and/or Meet Officials are official, and **CAN NOT BE PROTESTED!** Rule Interpretation protests and/or appeals are the only types of protests allowed and must be made to the Meet Referees at the time of the incident.

Protest must be submitted in writing (by the Head Coach only) with all information included as to the reason for the protest, which event, heat number, etc. Protest Fee = \$50.00 each. Fee will be refunded only if protest is upheld. For all age protests, the coach has 30 minutes from the moment they are notified to produce a valid birth certificate. All coaches are asked to have birth certificates on hand at the regional track meet.

TAAF and UIL rules also state that **ONLY video equipment approved by TAAF Region 3 shall be used to make finish line decisions.** Home videos will not be allowed to be used for protests. Protests are to be made to the Meet Director. Before submitting a protest, especially if it involves decisions at the finish line, please consider the fact that the finish line of each race is being professionally videotaped and timed electronically.

AWARDS & ADVANCEMENT TO THE STATE TRACK & FIELD MEET:

The Awards area will be located beside the concession stand. All awards may be picked up here. State Meet qualifiers must also pay their State Meet Entry Fee (\$10.00 per event qualified for) when awards are picked up. **COACHES, please be prepared to pay for your team at once.**

Medals will be awarded for 1st place through 3rd place.

All State Meet Entry Fees for all qualifiers must be paid to the Meet Director by the conclusion of the meet on Saturday, July 9. The top 3 finishers in each event will qualify for the 2022 TAAF State Meet in Corpus Christi, Texas, July 21-24. **COACHES, please be prepared to pay for your team at once.**

\$10.00 per person, per event. Cash or checks, payable to: "TAAF Region 3" will be accepted.

Qualifiers who know that they will not compete at the State Meet are requested to notify Meet Officials. No substitutions nor next place finishers to qualify for the State Meet. Only the top 3 place finishers in each event will qualify for the State Meet.

COACHES: Please make sure all of your athletes and their parents/spectators know and understand these rules and guidelines. We understand that some may not be to your liking, however, due to the nature of the sport of Track & Field and for proper meet operation and safety, rules of this kind must be adhered to.

Thank you for your efforts this year! Good Luck!
