Subject: Free Adult team entry for Regional representative to the State Tournament

As many of you know the T.A.A.F. Executive Board approved the payment for 1 (one) adult team entry to each adult State Tournament for each region that registered at least 200 teams in 2008-2009 (14 regions). This exciting news will create a large base of teams to help build bigger numbers at Adult State Tournaments. Additionally, many regions have approved matching the State payment providing 2 (two) comp entries to the State Tournament for many regions.

NOW here is the hard part.... COMMUNICATION! We have to tell our teams that this is available. When teams register ....ask them if they want to go to the State Tournament ...maybe for FREE! Hand them a roster and a Adult Regional Commitment form! Send their team name and contact info to your Regional Director and stay in touch with them!

For this program to work ...we have to have your help!

Please read the attached Adult Team Commitment form as there are key dates that must be met for this to work.

Good luck and I look forward to having a great year with you,
